

THE
DESCHANELS

Feels, Love and Amarone

1. AMARONE IN THE NIGHT

Don't wanna go to Zidor's pub
It's full of kids and people suck
Don't wanna drink a fucking beer
Don't wanna drink the turpentine

Amarone in the night (x4)

3. I'M THINKING ABOUT YOU

(WHILE I'M WATCHING BREAKING BAD)

My folks are not at home
I'm going mad tonight
I drink a beer or two
Still thinking about you
Last night we talked a lot
I fell in love with you
Tonight I'm all alone
And I watch TV shows

I always think about 2006

And I always dream about the same girl

And now that you know that I'm still in love with you

I don't feel the same, how about you?

I'm thinking about you while I'm watching Breaking Bad

I'm thinking about you, Walter White is cooking meth (x2)

2. BABY I LOVE YOU

I wanna hang out with you
I don't know what to do
I wanna have a beer with you
I know that I'm a fool

I wanna spend my time with you

I don't know if you like me too

Baby, I want to kiss you

But maybe it's too late

But now you have a boyfriend

And he also rides a motorbike

While I spend my days

Watching The Simpsons like a dick

Oh oh oh oh oh oh

Baby, I love you (x4)

4. LENNY

He used to be a model student
Now he takes some dope
He used to drink mineral water
Now he's puking on my floor
He used to sing in the church choir
Now he curses all the time
Man, I wanna know
What is going on?

Lenny I wanna know

What is going on?

He bought a lot of picks

And he's singing Ed Sheeran

He's cleaning his guitars

And he only drinks red wine

With his .44

He's the king of all the fools

5. ZOOEY

Zooey is really tiny
And she's a little weird
Zooey is very cute
The other girls don't have a clue

Zooey, give me a ride

I'm hitchhiking, you're so kind

I promise, I will pay

42 kisses, ok?

Zooey, oh Zooey

Don't panic I'm with you oh oh

Zooey, oh Zooey

This towel is for you oh oh

Zooey, oh Zooey

Don't panic I'm with you oh oh

Zooey, oh Zooey

The number 42!

We want to thank Marocchi and Zooey Deschanel for inspiring us.

Music and Lyrics by The Deschanel

Recorded, mixed and mastered by Bino at lhccoram Studios

Cover artwork ("Vigàno") and logo designed by Edo

Everything in this EP was made exclusively with Free Software (free as in freedom)

Thanks to the Linux Audio Community and all its developers
